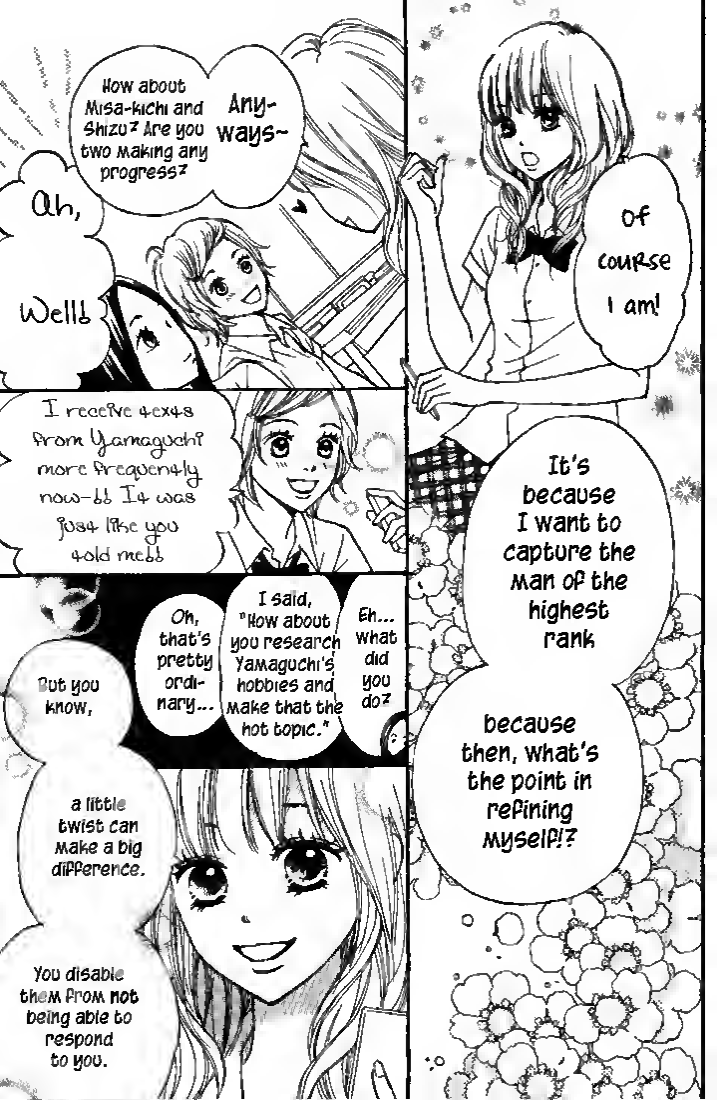
Masami Nagata

Let's break up.
I don't think this is working out.
I'll be late for my class, bye!!
I have to go now!
Ah!
Wait a sec, why!?
Wait
Sorry?
Did I do something to make you hate me...?
Uh... no, it's not "sorry"!!
But by the looks of the way you acted around me, you were definitely waiting for my confession, weren't you!?
It's true that you never said that, and it was me that asked you out!!
No, no, no, no!!
I never said I liked you.
Nanoka, you like me don't you?

SORRY!
Waah~ how CRUEL!
You are always so pumped up when you attract them, but you go absolutely rash after you lose interest...
Eh!
Be-cause~
You're going to get stabbed one day~
On top of that, this is your fifth person
Hi Nanoka!
What a letdown!
That guy is the sort of person that rides his bike at full speed right next to a Grandpa holding a cane.
And it's such a narrow road.
Men who are disre-spectful like that, will not succeed in anything.
You are so strict ...



Any-ways~
How about Misa-kichi and Shizu? Are you two making any progress?
Ah, Well!
I receive texts from Yamaguchi more frequently now-!! It was just like you told me!!
Eh... what did you do?
I said, "How about you research Yamaguchi's hobbies and make that the hot topic."
Oh, that's pretty ordinary...
But you know,
a little twist can make a big difference.
You disable them from not being able to respond to you.
Of course I am!
It's because I want to capture the man of the highest rank
because then, what's the point in refining myself!?

Wow thank you so much!! <3 You like, know everything! So cool~<3
Oh!
There was wrestling on TV so I was watching it and it was actually pretty interesting! <3 Is the ring side like a special seat or something?
You know how a lot of times, girls unilaterally send texts to report something and make a direct conclusion?
Then the guy would suddenly be motivated to respond to that text because it's something that he could relate to.
So you have to casually make their hobby the topic and add a little question at the end.
Boys have trouble responding to those, you see.
Today, I found these shoes that were SUPER cute, so I bought them <3
How should I reply?
Then you thank and praise them!!
OH-I-SEE.
You have to prepare the chance to praise them yourself.
Boys just get so happy when they're praised! ♥
GLARE
shock
That tactic is mentioned on TV and magazines all the time, like we didn't know that already~
PFFT
whisper

Tamaki...
Your lips are always cracked
I think your intake of nutrients is unbalanced, and also, you should stop your habit of licking your lips all the time.
!
Wha-
what!?
It's the truth, you know!?
I-
I KNOW THAT!!
Ehh~
If you know, then why can't you fix it?
SMOOTH
Ohhh-
Hey, hey

I just made another enemy
I was always concerned about her lips.
I told her!
There is nothing wrong with that.
Nanoka Nishizaki, 16.
My goal in life is to capture "A Splendid Guy" and be happy
And I will risk anything to do that.
meet
jolt
When you make eye contact with a guy you don't know, you must not take your eyes off him, and continue to look at him sweetly
Some say that a "soft smile" works, but normally you wouldn't really smile at a stranger.
On the other hand, if you look away, then you create an awful atmosphere.
But...
Oh man!
I know right?
Sh-she's seriously cute
Soft

I have not met the man that's been able to meet my standards yet.
The man that will make me happy and open up a bright future for me...
Ha ha ha ha
Give up your seats for the grandma, for goodness sakes!!
Stupid!
A type that will definitely never be promoted!
Those types of guys that can't listen to your mind are the worst!!
Next stop is Okawa. Okawa-
Stand
Ah!
Grandma here, here!!
Gran-
Hey!! You kids just stay standing-!!
SWOOSH

Wha...?
What is this person!?
He's saving the seat with his bag...!?

He's the worst!!
SWIFT
Why are all the guys around me always like this...
Thank you.
NOD

I found it-!
Haruto Kawai, 17. 2nd year, class 5, single.
Found it.

He's tall and pretty good looking ♥
Moreover, he has consideration and faculty.
Perfect ♥
Waa! Can you try not to make him quickly fall for you and then dump him as always?
Don't make any more enemies!
IF he's a decent man, I won't dump him~
Firstly, know the person,
He lives with his parents and his older sister
Oh, and also his grandma
His grades are a bit over average, hey?
IF he starts to work hard now, he might get in a pretty good uni ♥
Interesting...
and start to fill the outer moat!!
Now,
I got some info~
I asked various things to a senior in class five
Kawai-sen...
family~
It's here, it's here ♥
Ah,
...hmz
cooking club.

He's in the cooking club.

Harmony
Yay~
clap clap
Hello~
there's not even a slight feeling of oddness
and surprisingly
a cooking club with one guy in a swarm of girls!?
Oh~
Come in, come in!
Hey~ everyone~ it's a prospective member~

We-
Putting that aside!!
Well!!
Nishizaki-san, right?
Should I make a nickname for you?
Eh?
A nickname?
Hmm... Nano...
Can I call you just Nanoka? As is?
Ah, yes...
Nanoka!
Bad Jump

For today you are in charge of washing all the used equipment!!
...Ah yes...
clatter clatter
How could I forget!
Oh no! I haven't made an impression on him yet!!
To have an existence of awareness, the first impression is crucial!!

Exquisitely keeping an innocent distance will definitely make the opponent's heart beat!!

However, if it's your first meeting, then just pulling onto the sleeves would be more effective ♥

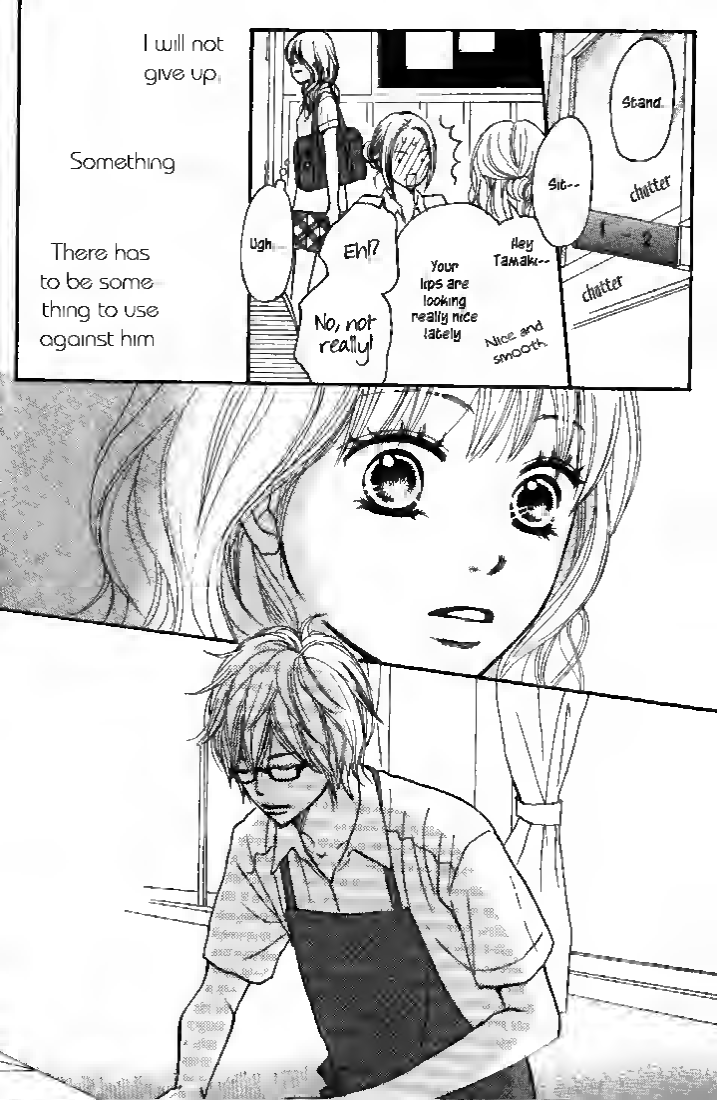
Guys are weak against **physical contact**!!

Huh?
That's strange
Want to have a taste, Haru?
Ah, yeah! I would.
A---n.
Aaa-
Was it all right?
Yup
Harmonistic---
Hm--?
HEEE~~~~~~~~!?
For Heels
Soft Smooth Cream
Spread
Spread

Bloody
That's Prostrating
.....
It's like he doesn't even see the girls as girls....
I wonder
What is with Haruto senpai's harmlessness?
Face pack
Not harmlessness but more like his absense of loving affections
I've decided
even if I have to fight with my pride
I will definitely, definitely, make him fall for me!!

After all, Haruto senpai is a guy
If I somehow motivate that man instinct of his,
he will definitely fall for me!!
Haru senpai ♥
BOOST THE AFFINITY
...Is it okay if I call you that?
Teehee♥
Yeah, sure.
Eh?
Grrrrrrrrrrrr
She's the super popular 1st year, how do you two know each other!?
You lucky guy!
INTRODUCE ME TO HER!!
OFFER A SENSE OF SUPERIORITY
Ah Haru, there's rubbish on---
THE BASIC "BODY TOUCH"

JOLT
POKE
Wa ha ha ha!
And you know...
Gosh~ what's wrong with him!? Is he really a boy!?
He's unresponsive!!
イライライライライライラ
SFX. RUMBLE RUMBLE
That is why you should emit plenty of that "You can like me" sign
They see if you are a person who can accept them
It's okay~
Welcome!
Once they are relieved they will start coming towards you themselves
That's what's supposed to happen!!
Smile
There was something on you ♥
Ah, thanks
Eh
Uh
What are you turning red for? Didn't you say last time that Nishizaki looks down on you, so there's no way?
I heard that
Yes
Men what they do is
Sh-shut up!!
Ga ha ha!
I never said I hated her...



I will not give up.
Something
There has to be some thing to use against him
Ugh...
Eh!?
No, not really!
Your lips are looking really nice lately
Nice and smooth
Hey Tamaki--
Sit--
Stand.

chatter

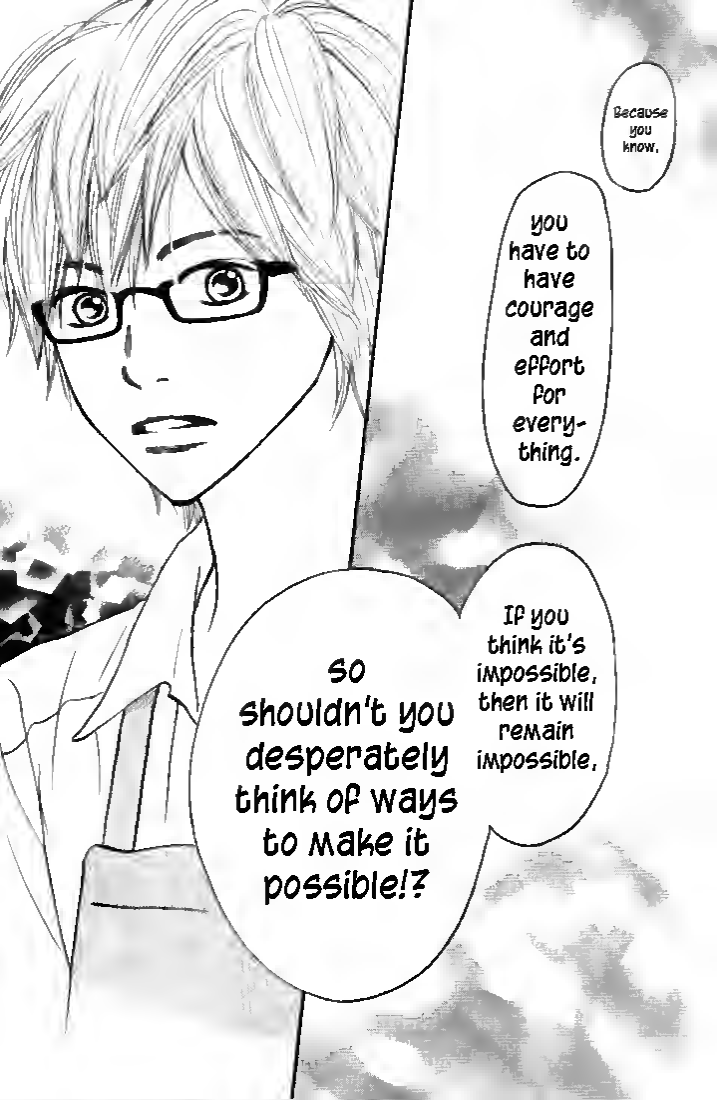
...wow.

Nanoka?
ba dump
Ah.
I was staring at him.
What are you doing--?
We don't even have clubs today.
Mm,
I'm just privately borrowing the room today.
The soccer club's doing a surprise birthday party, so I was making it for them.
Whaa...
It's amazing how he can make those sort of things.
Oh hey,
I've never really asked him the general things
...Haru,
do you want to become a pastry chef?
Aha
Eh--- no way!

No?
No, no!
Eh~~~
No~~~
Actually, I want to go to that sort of college.
but my parents are objecting it because they want me to take over our bicycle store.
There's no way.
Eh, but, you want to, don't you, Haru?
But it's pointless, just me wanting to~~~
Intimate talk, all of a sudden.
Why?
Why don't you decide that yourself, Haru!?
Shock
Ah. S-sorry.
Ahaha. Why are you angry, Nanoka?
Because... you have the ability to make such a beautiful cake and...
I'm just going to do this as a hobby, so it's all right~~~

I shouldn't think that everything will turn out the way I want it to.
That's just selfish.
.....
So you don't even have the courage to try to overcome the obstacles...
That's just being lazy, isn't it?
You are just taking the easy way out by giving up.



Because you know,
you have to have courage and effort for every-thing.
If you think it's impossible, then it will remain impossible,
so shouldn't you desperately think of ways to make it possible!?

.....
Eh?
Because of such men!!
If men were stronger and led women,
then I wouldn't have to go through researching stuff like popular tactics and risk myself being hated by girls so much.
SIZZLE-
SIZZLE-
MEN ARE!!

MEN ARE SO HOPE-LESS——!!
RELAX! NANOKA!!

Haru- is the cake done?
Yep, it is-
Whoa--- Aweso...
uh, what is this!? You have a bite out of it!!
I was having a taste.
What am I going to do!?

Nanoka, what's wrong?
Are you crying?
I couldn't sleep last night...
GYA!!
How rude.
S-sorry.
That was out of shock, I've never seen you like that.

I have to sleep exactly 8 hours every day...
Also, your skin is not as...
Don't say it!!
Ah.
The target's coming.
BA DUMP
...Why are you hiding?
Oh, right, the panda eyes.
No, that's not it

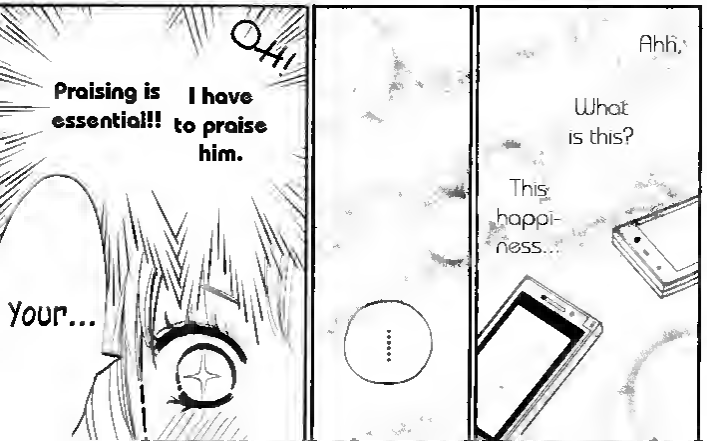
Haha, nice response!!
Can you tell me your mobile number?
UMM--



OH!
Praising is essential!!
I have to praise him.
Your...
.....
Ahh,
What is this?
This happiness...

With all the other guys, it's so obvious that they're desperately trying to hide their feelings, you see.
It's straightforward and there's no odiousness.
Yeah ♡
Way of asking for someone's number is really nice. ♡
It's so natural!
Huh?
Eh, really?
But with you, it feels the same as being asked by a girl!
My ex and my ex-ex boyfriend, and also the one before that were always so desperate.
Enough to freak me out a little bit.
huh?
...Is that so?
....

Ruining the conversation
So many errors
Hiding their feelings.
↓
Criticizing men? Popular Tactics?
Ex BF talks are NO GOOD.
Ex and ex-ex boyfriend and the one before...
↓
How many did I have?
On top of that, insulting your ex boyfriends?
Same as being asked by a girl!? I am not treating him as a guy!!
!!

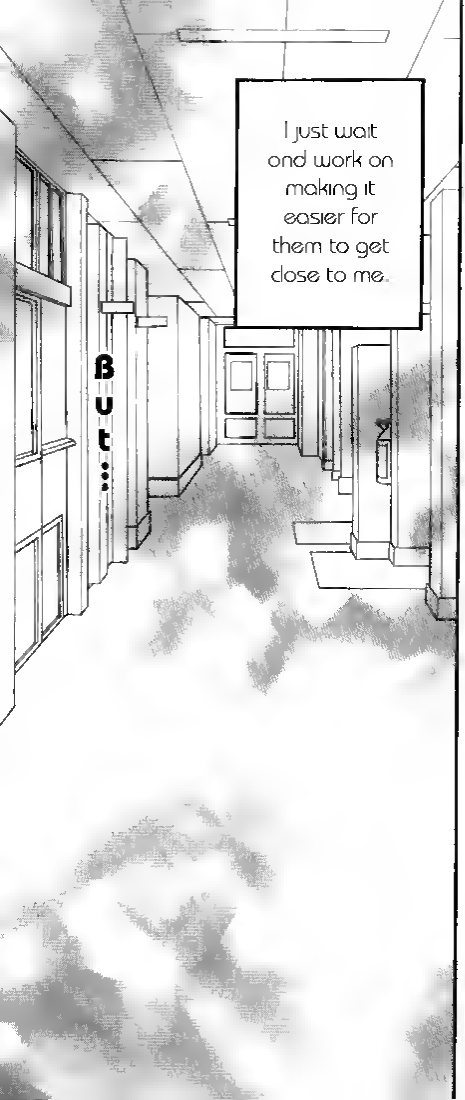
DEAD
Wh-what's wrong, Nanoka!?
Seems like,
I didn't know anything...
Girl's Changing Room
When you're in front of a person you truly like,
your mind goes completely blank, doesn't it?
I'm not able to do the things that I'm used to doing, and I can't read the air sometimes.

The people I dumped so rashly probably
weren't such bad men.
Maybe they just also couldn't show their true natures.
Stuff popular tactics.
Stuff it.

But Nanoka--
you've helped us a lot with the popular tactics you taught us, you know?
So if you like this person that much, Nanoka, we'll also help you. ♡
Strike
Sinking in straight
Oh no... my eyes
.....
...hey, actually
Haruto senpai's tension dropped by the things you told him, right?
He hates me now, doesn't he!?
WHAAAA
No, no, no.

Isn't that because he has feelings for you, Nanoka?
Isn't it?
No way, no way, no way, no way, no way
That is not possible
shake shake
shake shake
Why not?
He got upset because he wasn't being treated as a guy.
DUH~ That means he likes you!
Nanoka, you should be able to read such an obvious sign~~~!!

"Can you tell me your mobile number?"
...I
I'll go.



A confession,

is some thing that I don't do, but let them do.

With you,
I just can't
make myself
wait.

.....
Nanoka
did you forget some-thing?
.....
.....
.....
.....
THUMP
THUMP
I don't know how to confess!!
Nanoka?
THUMP
THUMP

?
...My
I can't wait for this person
My approaches are over,
and I think it's pretty obvious from the start but,
Haru
I like you, please go out with me!!

SERIOUS!?
That was too straight-forward!!
EEK!
....eh?
Do you actually have a love interest in me!?
You spoke to me so freely,
so I assumed from the start that I'm not a target.

Oh what~
Nanoka, you seemed really popular, so I thought it would be impossible,
but I figured that I shouldn't give up straight away.
So I asked you for your number, but then, you said those things...

This happiness.

Ah--

What is this?

Who...
And you even said it before me...
Damn it
cares about popular tactics, now?
Strike!
